

TEMPLE SINAI BROTHERHOOD

Now would be a great time for you to consider joining the Temple Sinai Brotherhood. We are a vibrant men's group, affiliated with this synagogue, with a threefold mission:

- Religious and Educational Programs
- Service to Community
- Fellowship and Social Programs

Some of our regular activities include:

- Presentations at all Bar & Bat Mitzvahs
- Passover *Matzoh Brie* Breakfast
- Special Ritual event set-up
- High Holiday ushering
- Religious school support
- Our Fall Chili Cook-Off

For the greater community we sponsor our massive clothing and furniture drive for Houston's needy, known as *Schlep Sunday*. Other community service projects we support are quarterly blood drives and cleaning the Temple Sinai building in association with Mitzvah Day

We have had guest speakers who have discussed an array of topics ranging from medical, legal and religious to sports, space travel, weather, media, and everyday living.

We have attended a wide variety of sporting events in the Houston area, such as the Astros, Rockets, Dynamo, and the former Aeros. We have seen the action of live horseracing and professional football on the large screen.

And while the Brotherhood continues those programs that are successful, we never choose just to rest on our laurels. This year, we hosted the first Annual West Houston Food Truck Festival from which part of the proceeds went to the Food Bank.

This is a great time to join a group that is busy and getting busier. Our activities are limited only by the participation and imagination of our members!

TEMPLE SINAI BROTHERHOOD

- *Dedicated to supporting the entire men's community of our congregation.*
- *Giving members the opportunity to explore and celebrate their male Jewish spirit.*
 - *Benefiting our faith, our community, and ourselves*

If you're interested in joining a group of guys dedicated to helping our synagogue and ourselves, and having a lot of fun in the process, we would love to have you as a member. Refer any questions to admin@temple-sinai.org, subject Brotherhood, and the President will contact you. Better yet, come to a meeting, normally the first Sunday of the month at 10:30am in the library.

Through the years, Temple Sinai Brotherhood has welcomed numerous guest speakers. Among the more exciting was NASA Astronaut Mike Foreman.

During his presentation, he actually called the International Space Station on his cell phone. Those in attendance were wished a Happy Passover from Jewish astronaut Garrett Reisman. What an unbelievable experience!
