A Mikdash Me’at is a temporary sanctuary, a place of holiness that can be with you in your home or on your journeys. This year, circumstances demand that we create our own sanctuaries wherever we are.

What is a Rosh Hashanah Seder?
It is not a Passover Seder! Temple Sinai will provide everything you need in the High Holy Day package. Simply join this special service for a warm and communal beginning to our high holy days. Our familiar High Holy Day music, friendly faces, and shared experience will draw us together as we welcome the New Year with hope.

Tashlich is the traditional custom of casting our sins into a moving stream. This year, our focus is not on casting away our sins, but on RELEASING the year that has passed, letting go of our pain, our worry, our anger, and our disagreements. This unique Service will blend elements of Havdalah (the service marking the end of Shabbat), Tashlich, and the Shofar blowing. We are requesting that everyone stay in their cars in the Temple parking lot for this service.

Neilah (Concluding service) & BYO Picnic Break-Fast at Temple (Weather- and Covid-Permitting)  
6:30 pm

Break-fast at the end of Yom Kippur is one of the most life-affirming experiences of the holy days! If weather and Covid spread permits, we want to celebrate this together. Please bring your own food and picnic setup, and join us for a physically-distanced Ne’ilah (final service of Yom Kippur) and break-fast. We will keep you updated about our final plans. We hope to see you in person.

leshana tovah!
